Children have fun, delight in each other's company and investigate things that intrigue and excite them.

What others say about Hanan Kindergarten

Parents

- The natural playground supports children's learning.
- Physical challenges support children's learning.
- Best preparation for moving to school.
- They learn something new every day at kindergarten!
- I love the risk taking.

Hanan kindergarten has a clearly stated philosophy with a focus on helping children understand how they go about learning and solving problems.

Education Review Office (Ministry of Education)

- Teachers use language that helps children be aware of the strategies they are using.
- Teachers encourage children to accept challenges and risks.
- Teachers use specific teaching to help children learn new things.
- Teachers assist children to be teachers for others.
- Teachers communicate their high expectations for children's learning and behaviour.
- Children and teachers together celebrate their success.

Literacy is woven throughout the programme.

Children develop a strong sense of belonging at kindergarten.

Children have frequent opportunities to use technology.

Children play and learn in well-resourced indoor and outdoor environments that are inviting and inspiring.
